

# Please make sure:

To set a password that is **8 characters** long with **NUMBERS ONLY** (ie 12345678, not: ~~psw12345~~)

To keep a record of the 8 digit-number password you enter.

The password is necessary to access your test results online, but **will not be** included in your test voucher. If you lose your password, we are unable to provide it for you.
