

Enhance your meeting experience by bookmarking the Meeting Webpage on your mobile phone!

This simple process involves adding the webpage to your home screen for easy access. It will include everything you need to know about the event--dates and times, agenda, location map, FAQ's and more! Follow the steps below to get started.

Step 1: Register for the meeting

Register for your ACS meeting through your invitation.

Step 2: Grab Your Mobile Phone

Make sure you have your device handy.

Step 3: Find Your Registration Confirmation Email

Locate the email you received after registering for the meeting. Ensure the email account used for registration is set up on your phone or forward the confirmation to an accessible email account.

Step 4: Join the Event

Select the 'Join Event' button in your confirmation email. This will take you directly to your custom mobile meeting experience.

Step 5: Add to Home Screen

iOS Users: Tap the share icon at the bottom of your screen. Scroll down and select "Add to Home Screen," then confirm by tapping "Add" in the top right corner. Note: You'll need to follow these steps for each ACS meeting you are attending.

Android Users: Tap the three dots in the top right corner. Scroll down and select "Add to Home Screen," then tap "Add" to confirm.

Step 6: Access Your Meeting Experience

Your mobile meeting experience will now appear on your phone's home screen.
