Available

#### 109 - What is Saybrook Sponsored Programs?

**This session is Open to:**

All of Saybrook Community

**Session Description**

Saybrook University's Sponsored Programs Office supports faculty and students who want to pursue grant-funded research and academic projects. Faculty and students are invited to this session to learn about the new Sponsored Program office and its services. We will provide an overview of our SPIN database of funding opportunities and discuss how you can get an account. We'll answer questions about funded research, including dissertation research. We would love to see you at this session if you are interested in getting grant funding to support your research or want to learn more.

**Presenters**

Dr. Laura Brewer & Dr. Kirwan Rockefeller
