MISSISSIPPI LUNG CANCER ROUNDTABLE

Sponsorship Packet

About the Mississippi Lung Cancer Roundtable

The Mississippi Lung Cancer Roundtable (MSLCRT) was founded in January 2022 in partnership with the American Cancer Society. The MSLCRT is a coalition of public and private organizations, and individuals, who work together to create lung cancer survivors by engaging in initiatives that no one organization can take on alone. Each of the 385 MSLCRT members brings a unique set of strengths and approaches to lung cancer care and each shares the sense of urgency and desire to unite as one community to eradicate this disease.

The MSLCRT is uniquely positioned to expand and coordinate state efforts and initiatives to address the numerous gaps that exist across the lung cancer care continuum, ultimately working to improve lung cancer outcomes in Mississippi. Like the National Lung Cancer Roundtable, the MSLCRT acts as a catalyst to stimulate work on key issues around lung cancer in Mississippi. The work is guided by the MSLCRT Chair, Dr. Pierre de Delva, a Thoracic Surgeon at the University of Mississippi Medical Center, American Cancer Society staff, along with direction and input from an active Steering Committee.

The 4th Annual MSLCRT Meeting will feature special guest speakers, presentations from workgroup members and call to action. The meeting will be held in-person at the Sheraton Flowood Refuge Hotel and Conference Center at 2200 Refuge Blvd, Flowood, MS 39232 on November 7-8, 2025. The room block will be available on August 1, 2025.

On Friday, November 7th, we will have a networking social/dinner from 5:30-7:30 PM. On Saturday, November 8th, we will have learning sessions from 8:00 AM-3:00 PM. More information and detailed agenda coming soon! The official participant registration website will open on August 1, 2025.

Please reach out to Amy Ellis with questions at amy.ellis@cancer.org or 601-278-0584.
