20:00	H				H						
20:15											

Workshops (choose up to 4): Hands-on learning experience for participants, with a mix of presentation and interactive, experiential activities. Not recorded.

Skill-builders (choose up to 2): Shorter hands-on skill-building sessions that provide a specific tool or technique you can "take home" and use. Not recorded.

Webinars (automatically included): Mini-course, mainly in lecture/presentation format with some interactive discussion, Q&A, or quick exercises. Recorded.
